School Commitments

School activities (concerts, trips, etc.) take priority over corps functions. We realize that without good grades most members will not be allowed to be a part of the corps. When a member must miss a rehearsal due to a scheduled school activity, we request that you let us know at least two weeks in advance or as soon as possible. Teal Sound supports all members who participate in their high school or college band/guard programs during the school year; however, we must ask that attendance is required during all camps where there is no conflict. We ask that you make every effort to attend at least part of a camp weekend that can be worked around a school activity.
